How to
remove Student
-> by remove its Id
from the Arrlist
studentInCourse

Multi student
Multi report

counterDay array
as 7 day
function setCountday
includ static var return to 0 every week
INT parameter is the day (index arr)
Attendance var increase with the both method

other class for
to
make any class
uses the allow
method

```
if (line.contains("Smokey")){   line =  
line.replace("Smokey:","AAAAAA");  
bw.write(line+"\n");   } else {  
bw.write(line+"\n");   }
```

```
+getAttendanceDay():int (counterDay)  
+getAttendanceMonth():int(counterMonth)
```
